The Santa Clause

John Pasquin, 1994 • Tim Allen plays

Elisheva Clause, a Hasidic Jew whose

thick beard and estrangement from his religious compound in Brooklyn force

him to find work as a mall Santa during a

brutal New York winter. Clause struggles

to come to terms with the conflict

between his job and his faith, and finds

himself on the verge of suicide. Secularism triumphs in this warning against the dangerous minds of untrimmed men,

days, Ferris is used as a canary of sorts to check the methane levels of the mine, constantly

fearing that he will never again see the sky, but

today, Ferris drinks a bottle of beer and falls

asleep, delighting the audience with his facetiousness. Told through a chronological

story-arc and repetitive music, this incredible

story of one man's personal Xanadu abov ground is a cinematic classic. Archival 35mm
